Padmashri Dr. Vitthalrao Vikhe Patil
(1901 - 1980)

Golden Jubilee Year

Pravara Rural Education Society's

**SIR VISVESVARAYA INSTITUTE OF TECHNOLOGY,
Chincholi, Nashik - 422102**

INFORMATION BROCHURE

Approved By

Govt. of Maharashtra

All India Council for Technical Education (AICTE), New Delhi

Affiliated to

University of Pune, Pune

Dr. G. B. Shinde
Principal

Genesis :

The Pravara Rural Education Society is established by **Late Padmashri Dr. Vitthalrao Vikhe Patil** in the year **1964**. He laid the keel of Pravara Rural Education Society with twin objective of providing a good education system comparable to the best in any urban areas and give a boost to upliftment of women through need based education.

Hon'ble Padmabhushan Shri. Balasaheb Vikhe Patil, an outstanding leader in every walk of life in the state of Maharashtra & a member of parliament over three decades, embarked upon arduous task of translating the dreams of Padmashri into concrete realities by meticulous planning. The institute is running under the dynamic leadership of **Hon'ble Dr. Ashokrao Vikhe Patil**, Executive Chairman, Pravara Rural Education Society, Pravaranagar and blessed by pragmatic leadership of **Hon'ble Namdar Shri. Radhakrishna Vikhe Patil**, The Leader of Opposition Legislative Assembly, Govt. of Maharashtra, to equip the institute with excellent infrastructure and with modern methods of governance.

Vission : -

Sir Visvesvaraya Institute of Technology is committed to usher in socio-economic transformation by providing inclusive innovative quality education of global standards to fully meet the expectations of the stake holders as initiated by the founding fathers.

Mission : -

To recruit and retain well qualified motivated faculty and staff and provide adequate infrastructure equipments and machinery. To provide amenities and sport facilities in harmony with nature. Nurture industry institute interaction to provide adequate exposure to the students to the world of work. Enrich library and provide latest teaching gadgets and process to promote effective teaching, learning. To provide holistic value based education and inculcate entrepreneurial abilities so that the students well groomed in knowledge, skills and values have the ability to face the challenges of the corporate world and life.

Objectives :-

- Provide inclusive technical education so that a deserving student is not denied an opportunity for technical education solely on socioeconomic constraints.
- Provide holistic education to develop skills, knowledge and values through well structured curriculum and instructions.
- To make students readily acceptable to the corporate world and promote entrepreneurship.
